

## MINUTES OF THE OCTOBER 13, 2015 STUDY SESSION

Alpine School District's Board of Education met in a study session on Tuesday, October 13, 2015 at 4:00 P.M. The study session took place at the District Office.

Board members present: President John C. Burton, Vice President JoDee C. Sundberg, S. Scott Carlson, Wendy K. Hart, Paula H. Hill, Deborah C. Taylor and Brian E. Halladay.

Also present: Superintendent Samuel Y. Jarman, Business Administrator Robert W. Smith, along with additional members of the administrative staff. There were 13 others in attendance.

The following took place during the study session:

Central and Greenwood Elementary schools were named Title I Reward Schools by the Utah State Office of Education and were recognized by Alpine School District's Board of Education. This award is given to Title I schools that achieve high levels of student proficiency and student growth. Julie Vandijk, Natalie Nuttall, and Arline Johnson, teachers from Central Elementary, presented to the Board the successful strategies and programs that have helped Central Elementary be a high performing Title I School. They gave credit to Principal Vicki Carter for the trust, respect and positive culture she has helped to develop at the school.

Principal Matt Killpack and former Greenwood Principal, Jason Benson, presented to the Board the collaborative effort and successful programs that transformed Greenwood from being a low to a high performing, award winning Title I school. Their first focus was on the culture of the school with an emphasis of helping children feel safe. Another focus was on professional development for teachers and administrators. Principals Benson and Killpack expressed appreciation to the District's Curriculum department for the coaching and resources they brought to Greenwood Elementary.

Business Administrator Rob Smith and the Administrator of Physical Facilities, Frank Pulley Jr., presented to the Board a report on Clear Creek and suggested improvements necessary to keep the facility safe and operational for students.

Assistant Superintendent John Patten followed-up with Board members about the boundary discussion from the September 22 study session. Five areas were discussed:

- Forbes/Shelley: The boundary change would affect three homes and one student currently in the Shelley boundary. John Patten said the plan is to move forward with this boundary change.
- Legacy/Highland: John Patten has been in communication with the principals of both elementary schools. A letter and email will be sent to the families affected by a boundary change and an input meeting will be scheduled.
- Orem Jr./Lakeridge Jr.: The students who will be affected by a boundary change have been identified. A letter will be sent to the families and an input meeting will be scheduled. John will share the information gathered at the input meetings with the Board.

- Eaglecrest/Fox Hollow: After following-up with developers in the area, the proposed boundary change is no longer logical. To move the boundary would not be effective because many of the students living in the Fox Hollow boundary are already attending Eaglecrest. This boundary will need to be re-addressed at a later time as more developments move into the area.
- Vineyard Elementary: A charter school has been approved in the Vineyard area. This could change the need to re-boundary this area. John Patten's recommendation to the Board is to wait and see what impact the charter school has on the projected growth. Board members recommend being diligent on a weekly basis to follow what is happening in the Vineyard area.

Kimberly Bird shared with the Board the schedule for the Fall Community Meetings. The purposes of the meetings are to:

- Be accountable to the community for the 2011 bond and how the money was used.
- To look at current growth and projections.
- To gather feedback from the community.

The study session concluded at approximately 5:30 P.M.

#### MINUTES OF THE OCTOBER 13, 2015 BOARD MEETING

## COMMUNITY COMMENTS

**Emily Campbell** commented about the ALL program at Cherry Hill. She has two children who have gone through the ALL program, two children in the Dual Immersion program and one in regular education. She voiced her support for a transparent evaluation of the three programs at Cherry Hill by holding meetings that would include the community and parents.

**Cole Cooper** commented about school choice for students living in the Skyridge High boundaries. He said the majority of students residing within the Skyridge boundaries want to attend the new school and he would like the minority to be given the option of choosing to stay at Lehi High. Mr. Cooper lives within the Skyridge boundaries, but his children are engrained in LHS programs.

**Aaron Parker** is a resident of Lehi and his 15-year-old son is in the AP History class. As a parent he was upset by the disrespectful comments his son made about the American Revolution and the Founding Fathers based on what he was learning in class. Mr. Parker spoke with the teacher and was surprised that the teacher confirmed he was teaching the things reported by his son. Mr. Parker asked the Board to take a serious look at the AP History curriculum. Board members asked the Administrator of 10-12 Schools, Jess Christen, to meet with Mr. Parker.

**Aaron Campbell** commented about the importance of the evaluation process of the ALL program at Cherry Hill Elementary. He is a resident of south Orem and has pride in the program. Mr. Campbell asked Cabinet members to respect the 25-year history the ALL program has at Cherry Hill when making their decision. He believes that the right decision would be to allow the school to have three strong programs.

**Tara Galloway** also commented about the AP History curriculum at Lehi High School. Her daughter is a sophomore at the school and has been making disrespectful comments about the Revolutionary War and the Colonists. Ms. Galloway said the curriculum being

taught is belittling our founding principles and taking away what is important for our children to learn.

**Jill Freestone** asked the Board to allow more time for community and parent involvement before a decision is made to move ALL from Cherry Hill to Orem Elementary. She asked that the decision be put on hold until more information can be gathered. She feels there are too many assumptions being made about moving the program to Orem Elementary.

**Erin Zimmerman** commented about the ALL program at Cherry Hill. She has a sixth grade student in the program and a daughter in ALL at Lakeridge. Mrs. Zimmerman homeschooled her children, but after learning about ALL, moved them to Cherry Hill. She expressed concern that if the ALL program is moved, a portion of the parent support and volunteers will leave also. She feels that by trying to resolve one problem, another will be created.

**Kari Rutheford** commented about the Dual Immersion and ALL programs at Cherry Hill. She attended the school in the 80's and feels that the two programs have always done well together. Mrs. Rutheford said that the gifted children at Cherry Hill are not bullied like they are in other schools. She asked the Board to give Cherry Hill a chance to make it work.

**Meredith Ohran** expressed her appreciation for the opportunities her six children enjoy in Alpine School District. She now has her fourth child in the ALL program at Cherry Hill and has two more that plan to do the same. Even though Cherry Hill is their home school, if the program moves, they will follow it. Mrs. Ohran expressed her concern about the data being used to make the decision regarding the regular education classes. She said the parents just found out yesterday and this Board meeting is their first opportunity to have a voice. Her proposal is to make it a two-year trial program to see if there really is a problem.

**Jesse Chapman** commented about school choice for students living within the Skyridge High boundaries. He recommended that there be flexibility in allowing siblings of seniors to choose to attend Lehi High. Mr. Chapman has two sons; one will be a senior next year and the other a junior. He would like them to be able to ride to school and play football together next year.

**Wyatt Taylor** commented about the ALL program at Cherry Hill. He said a decision made now would not be acceptable because there has not been enough parent involvement or input from the community. Mr. Taylor said he was bullied as a gifted child and is amazed that this doesn't take place at Cherry Hill. He urged that any possible way to keep the program at Cherry Hill be explored with more public involvement.

**Dawn Bunker** lives within the Skyridge boundaries and has a sophomore who currently attends Lehi High. She asked the Board to consider allowing students who will be juniors and seniors next year the choice to attend Lehi High.

Barry Beckstrand, Supervisor of the South Elementary Schools, excused himself from the Board meeting so he could meet with the individuals who commented about the ALL program at Cherry Hill.

## MINUTES

**Scott Carlson made the motion to approve the minutes for the September Board meetings. Debbie Taylor seconded the motion and it passed unanimously.**

## CLAIMS

Check numbers 00030689 through and including 00033511, totaling \$17,375.657.66 were presented for the Board's approval. Superintendent Jarman recommended the Board's acceptance of the claims for September.

4. Student Choice to Attend Lehi High School

Superintendent Jarman clarified that under the current recommendation, a hard boundary would be established and students living within Skyridge High boundaries would attend the new high school. Seniors living within the Skyridge boundaries would have the choice to continue to attend Lehi High School for the 2016-17 school year. **Superintendent Jarman recommended the approval of this decision allowing senior students living within Skyridge High School boundaries the choice to attend Lehi High School. Scott Carlson made the motion with the following amendments:**

- Students living within Skyridge High School boundaries but are attending other high schools outside of Lehi, will remain at those schools for Utah High School Activities Association (UHSAA) eligibility. To attend Skyridge High, a hardship waiver would be required.
- There may be limited exceptions or special circumstances to meet individual student needs.

**Wendy Hart seconded the amended motion.** Board members discussed the need to establish hard boundaries for the protection of school programs.

John has to verify that all Board members have completed the training.

Debbie Taylor said that next year the School Land Trust training is required for all Board members.

USBA requested that each district provide five pieces of student art (K-12) to display in the hallways and ballroom at the January USBA Conference.

The new USBA position will have responsibilities over communications and professional development. USBA is also developing a Board and Superintendent evaluation that will be available online. Debbie and JoDee clarified there is only one full time employee at USBA. The funding for salaries is provided through the insurance pool network involved with USBA. Membership dues are used to pay for items such as professional development, training, and conferences.

Brian Halladay said he was disturbed by the information that was shared tonight about the AP US History curriculum at Lehi High. John Burton said that Jess Christen had already emailed him and is meeting with the principal and teacher tomorrow. Brian wants to make sure the curriculum is not being taught in any other district high schools. Wendy Hart stressed that parents need to be made aware of the changes in the AP History curriculum.

#### COMMUNITY COMMENTS

**Christel Swasey** attended the study session and voiced concerns about Judge Bazelle's comments regarding attendance. She appreciated the word "care" from the judge, but feels that it shouldn't trump a parental authority. Mrs. Swasey was of the opinion that Judge Bazelle was implying the district should change the existing attendance policy, which allows a parent to excuse any absence within ten days. She said it is a God-given authority for a parent to guide the education of their children. Mrs. Swasey urged the Board to listen to the parents of the majority and not the recommendations of the Judge.

**Melanie Allen** thanked the Board for the current attendance policy, which grants parents the right to excuse their children from school. She is a mother to eight children and knows what is right for them. Mrs. Allen personally feels that children are in school too long each day and for too many days in the year.

**Lani Stott** is the mother of five children and would like to keep the attendance policy as it is, because parents know what is best for their children. She feels that if a different policy is implemented it will hurt the parents who are really trying to help their children. Mrs. Stott has a daughter with diabetes who has missed a lot of school, but has stayed current with all of her schoolwork. She feels that the minority should not dictate to the majority who are doing it right.

**Meredith Ohran** agreed with everything that has been said about the attendance policy. She said her purpose for being at the meeting was to talk about the ALL program at Cherry Hill Elementary. She spoke at the last Board meeting about the same topic and was at this meeting representing a group of parents who could not be in attendance. Mrs. Ohran reiterated her position that moving the ALL program away from Cherry Hill would not allow the underserved to have a gifted program. She proposed allowing the ALL program to remain at Cherry Hill for a two-year trial to see if the ALL, Dual Immersion and regular education classes could all work together.

**Tami Hirsch** is a former teacher in the district and the mother to five children. She appreciates the current Alpine School District attendance policy allowing parents to excuse absences for their children. Mrs. Hirsch shared that in her studies she found that President Obama's education plan has a clause that would take parental rights away from attendance. As a teacher she has seen parents who don't care about their child's attendance in school, but she does not want her rights taken away because of their choices. She said that as a parent it is her prerogative to take her children out of school and is an advocate to keep the current policy.

**Michelle Stallings** is grateful for the current attendance policy because it gives flexibility and allows parents to take advantage of other opportunities. She understands attendance in school is important and hopes that parents don't take advantage of the policy currently in place. Mrs. Stallings appreciates Judge

Bazelle's position and the concern she has for the students with truancy issues. However, Mrs. Stalling is concerned about using words like "prosecution" because she doesn't feel that is a direction we should go. She had a child with a truancy issue and they did all that they could do, but to get a letter stating they were going to be charged with a misdemeanor did not help the situation. Mrs. Stalling hopes that the Board will keep the current attendance policy and work with parents, not against them.

**Rachelle Glines** is supportive of the current attendance policy. She moved here from another district in Utah and feels that to change the current policy teaches children that government, doctors, lawyers, etc., have authority over them. Mrs. Glines said the cost of freedom is high and not everyone will be saved. She said it is a God-given right for parents to have authority over their children. The more schools get involved with these issues, the more parents allow schools to take away their responsibilities, and then parents will become less responsible. She asked the Board to keep the responsibility on the parents. Mrs. Glines thanked them for the current policy and to please continue it.

**Karen Smith** voiced her support for the current attendance policy. Her daughter has had health issues and missed a lot of school. The existing policy allowed them as parents to deal with it in a positive way and keep their daughter current in school. Mrs. Smith also addressed the Board about the ALL program at Cherry Hill. She said that many parents feel that they have been left out of the loop and have not had a say in the plan to move the ALL program. She gave her support to the PTA president who spoke about giving all three programs a two-year trial. Mrs. Smith said the ALL program is a life-changer for so many families. She and her husband bought their home in the Cherry Hill boundaries for the ALL program. She voiced her opinion that she doesn't think moving the program will solve the problem.

**Jared Carmen** lives in Highland and has two children. He thanked the Board for the time they spend in their positions on behalf of students. He said that he hoped the spirit of truth was felt in the room as parents spoke about the attendance policy. Mr. Carmen quoted the state statute about attendance and then proposed the question, "Which is more important, agency or compassion?" He then gave three examples of compassion vs. agency and then asked the Board to do the right thing. Mr. Carmen said that if there are children falling between the cracks, encourage administrators to help them, but do not take away the right of parents. He said that recently we have been encouraged to support the family and then asked the Board to not change with current policy.

#### ACTION ITEMS

#### BOARD MEMBER COMMITTEE REPORTS

Wendy Hart asked about the timeline for the Cherry Hill ALL decision. Barry Beckstrand, Supervisor of the South Elementary Schools, said November 1, 2015 is the deadline to notify parents of the ALL options. He said the decision would be made in the Cabinet meeting tomorrow, October 28.

Paula Hill attended the DCC meeting, an early out collaboration visit and the ATEC open house. She said she experienced the best of Alpine School District. She also reported on the MATC meeting she attended.

The students from UVU who were in attendance were recognized.

Wendy Hart seconded the opinion of the parents who spoke about parental rights regarding the attendance policy. She has seen the detrimental impact that removing those rights can have.

ADJOURNMENT

**Debbie Taylor made the motion to adjourn and John Burton seconded the motion. It passed unanimously at approximately 7:00 P.M.**

## ARTICLE II AGREEMENT OF PURCHASE AND SALE

2.1 Purchase and Sale. Upon the terms and conditions stated below, and in consideration of the mutual covenants set forth below, the receipt and sufficiency of which are hereby acknowledged, Seller hereby agrees to sell and convey the Property to Buyer, and Buyer hereby agrees to purchase the Property from Seller and to pay the Purchase Price to Seller, in accordance with the terms and provisions of this Agreement.

## ARTICLE III PURCHASE PRICE

3.1 Purchase Price. The total purchase price to be paid by Buyer to Seller at Closing for the Property is equal to Eight Hundred Ninety Five Thousand and 00/100 Dollars (\$895,000.00) (the "Purchase Price"), which is the appraised value of the Property as set forth in that certain appraisal by J. Philip Cook LLC, attached hereto as Exhibit B. Buyer shall pay to Seller the Purchase Price for the Property in cash or otherwise immediately available funds.

3.2 Earnest Money Deposit. Buyer shall deposit the Earnest Money Deposit with Title Company within five (5) business days of the Effective Date, which money shall be applied to the Purchase Price at Closing hereunder.

## ARTICLE IV DUE DILIGENCE; CONDITIONS TO CLOSING

4.1 Commitment for Title Insurance. Seller shall obtain the Commitment for all of the Property comprising the Property from Title Company and furnish the same to Buyer, together with copies of all documents shown as exceptions therein, prior to or at the start of Buyer's Review Period.

4.2 Title Insurance. At Closing, Seller shall cause a Title Policy for the Property to be furnished to Buyer. Seller shall pay the title insurance premium for the Title Policy delivered hereunder.

The Title Policy shall be issued through Title Company in the face amount of the Purchase Price for the Property purchased, and shall insure fee simple title to the Property in Buyer, subject only to the Permitted Exceptions.

4.3 Submission Items. Within 10 days after the delivery by Buyer to the Title Company of the Earnest Money, Seller shall forward to Buyer, for Buyer's review and approval, true and correct copies, to the extent in Seller's possession or control, of the following items for the Project (the "*Submission Items*"):

- 4.3.1 The Master Development Plan for the Project;
- 4.3.2 Soils reports;
- 4.3.3 Any environmental, soils or geologic reports relating to the Property;
- 4.3.4 Evidence of the availability of water and sanitary sewer service to the Property in sufficient capacity to serve the Property;
- 4.3.5 All subdivision plans for the Project (including, without limitation, the grading and drainage plans, water/sewage plans, street plans and dry utility plans), to the extent available;
- 4.3.6 Any grading plan;
- 4.3.7 All engineering plans and specifications;

Seller shall not modify or amend any Submission Item without the prior written consent of Buyer, which obligation shall survive Closing.

4.4 Review of Commitment and Submission Items by Buyer.

4.4.1 During Buyer's Review Period, Buyer shall review the Commitment and deliver in writing, within ten (10) days after Buyer's Review Period begins, such objections as Buyer may have to anything contained or set forth in the Commitment. Any such items to which Buyer does not object within such period after Buyer receives the Commitment shall be deemed to be "Permitted Exceptions." After the initial review of the Commitment and at least five (5) days prior to Closing hereunder, Seller shall deliver to Buyer an updated commitment for the Property to be purchased at such Closing and Seller shall be required to remove or cause to be removed any exceptions or conditions of title (other than the Permitted Exceptions) shown on such updated Commitment on or before the Closing Date for such purchase.

4.4.2 If exceptions to the title to the Property have been raised in any Commitment and if Buyer delivers written objections thereto to Seller in accordance with Section 4.4.1 above, then Seller may notify Buyer and Title Company in writing whether Seller is willing or unwilling to remove or satisfy such matters objected to by Buyer. Failure by Seller to provide such written notice shall be construed as Seller's refusal to remove or satisfy such matters. Prior to the expiration of Buyer's Review Period, Buyer shall notify Seller and Title Company in writing of Buyer's election either to (i) terminate this Agreement, whereupon Title Company shall return the Earnest Money Deposit (together with all accrued interest) to Buyer and the parties shall be released of all duties and obligations hereunder, or (ii) proceed with this transaction and waive Buyer's objections. If Buyer fails to timely notify Seller and Title Company of any objections to, or its unequivocal approval of, the Commitment, or any amendment or modification thereto, or if

Buyer fails to timely notify Seller and Title Company of its election to either terminate or proceed with this transaction after delivery by Seller to Buyer of notice of its unwillingness to remove any matter objected to by Buyer, then Buyer shall be deemed to have approved the Commitment or to have elected not to terminate this Agreement, as applicable.

4.4.3 This Agreement is expressly subject to and contingent upon Buyer's review and approval of the Submission Items and the results of its own review and investigation of the Property with the assistance of any agents or contractors hired by Buyer. If Buyer shall deem, in its sole and absolute discretion, that the intended acquisition or use of the Property, or any portion thereof, appears to be viable or feasible, and Buyer accepts the results of its investigation of the Property and the Submission Items, then it shall give Seller notice of the same on or before the expiration of Buyer's Review Period. If Buyer does not give such notice, or if Buyer gives Seller notice of Buyer's intent to terminate this Agreement, then this Agreement shall terminate and be of no further force or effect. If this Agreement is terminated pursuant to this Section 4.4.3, then Title Company shall promptly return the Earnest Money Deposit (including all accrued interest, if any) to Buyer and the parties shall be relieved of all further duties, liabilities, and obligations to each other in relation to this Agreement (other than Buyer's indemnity obligation described in Section 4.5 below).

4.5 License. Seller hereby grants to Buyer and Buyer's agents or contractors a limited license to enter upon and inspect the Property, and any portion thereof, at reasonable times and in reasonable manners. Such inspections shall be conducted in a manner that does not damage the Property or any improvements or other property thereon, or interfere with the business operations conducted at the Property, if any. Buyer hereby agrees to indemnify and hold Seller harmless from and against any costs, expenses, damages and liabilities of any kind or nature which Seller may suffer or incur by reason of any entry or other action taken by Buyer prior to the Closing in connection with Buyer's inspection of the Property. Buyer's obligations and indemnity set forth in this Section 4.5 shall survive Closing or the termination of this Agreement.

4.6 Non-Refundable Earnest Money Deposit. The Earnest Money Deposit shall go hard and become non-refundable unless Buyer provides the written notice described in Section 4.4.2 or 4.4.3 above prior to the expiration of the Buyer's Review Period. If Buyer terminates this Agreement during Buyer's Review Period, or if Seller defaults hereunder or any condition precedent herein is not fulfilled or waived by Buyer before any Closing hereunder, then the Earnest Money Deposit shall promptly be refunded to Buyer. The Earnest Money Deposit shall be applied against the Purchase Price at the Closing hereunder.

## ARTICLE V ESCROW INSTRUCTIONS

5.1 Escrow. An escrow for this transaction has been or shall be established with Title Company, and Title Company is hereby employed to perform the escrow and related services for the Closing, as set forth in this Article V. This Agreement, together with any other written instructions to Title Company from either party or its counsel, shall constitute escrow instructions to Title Company.

5.1.1 Opening Date. Unless previously opened, escrow shall be deemed open on the date when one copy of this Agreement, executed by Buyer and Seller, is delivered to Title Company.

5.1.2 No Cancellation Charges. By opening escrow for this transaction and advising Buyer and Seller of the opening date of escrow, the Title Company agrees that if

the Closing does not occur for any reason, neither Seller nor Buyer shall be responsible to the Title Company for any fees, charges or expenses relating to escrow, except for actual charges and costs incurred by the Title Company in providing escrow services.

5.1.3 Closing Costs and Prorations. The Title Company shall prepare settlement statements and allocate closing costs and prorations in accordance with the provisions of Article VIII of this Agreement.

## **ARTICLE VI** **REPRESENTATIONS, WARRANTIES AND COVENANTS OF SELLER**

6.1 Seller's Representations and Warranties. Seller represents and warrants to Buyer that, as of the Effective Date, and as of the Closing Date hereunder:

6.1.1 Seller is a limited liability company organized and in good standing under the laws of the state of Utah, and possesses all requisite power and authority to enter into this Agreement and to perform according to the terms, covenants and conditions contained in this Agreement.

6.1.2 The execution of this Agreement or any document required hereby, and the consummation of the transaction contemplated by this Agreement will not violate any order, ruling, certificate, license, regulation, agreement, or any demand of any court, regulatory agency or other tribunal to which Seller or the Property is subject.

6.1.3 This Agreement, when executed by Seller, shall constitute a valid, legal and binding obligation of Seller, and shall be enforceable in accordance with its terms.

6.1.4 Seller has not received, and has no knowledge of, any notification from any city, county, state or federal authority having jurisdiction over the Property, or from any utility providing service, or from any lender, tenant or party to a restrictive covenant agreement affecting the Property, which notification requires any work to be done to, or affecting the use of, the Property or any portion thereof.

6.1.5 There are no actions, suits, claims, demands, condemnation proceedings, litigation or proceedings, whether existing, threatened, to Seller's knowledge, or pending, which would affect (a) the validity of this Agreement, (b) the title, development, use, enjoyment or value of the Property, (c) Seller's representations and warranties under this Agreement, (d) Seller's ability to perform under this Agreement, or (e) the validity or enforceability of development agreement or other similar agreement pertaining to the Property or any portion thereof.

6.1.6 Except as otherwise disclosed to Buyer in writing prior to the execution of this Agreement, to the best of Seller's knowledge, there are no existing violations of any codes, ordinances, laws or statutes, on any level (municipal, state or federal) or moratoria concerning the Property or that would affect the use, value, development, or enjoyment of the Property.

The parties covenant and agree that the covenants in this Section 6.1 and the Seller's representations and warranties herein, shall survive the Closing and delivery of the Deed, for a period of twelve (12) months following the Closing relating to the Property.

## **ARTICLE VII** **REPRESENTATIONS AND WARRANTIES OF BUYER**

7.1 Buyer's Representations and Warranties. Buyer represents, warrants and acknowledges to Seller as follows:

7.1.1 The execution of this Agreement or any instrument or document required by this Agreement, and the consummation of the transaction contemplated by this Agreement will not violate any order, ruling, certificate or license, regulation or demand of any court, regulatory agency or other tribunal to which Buyer is subject.

7.1.2 This Agreement, when duly executed by Buyer, shall constitute a valid, legal and binding obligation of Buyer, and shall be enforceable in accordance with its terms.

7.1.3 Buyer possesses all requisite power and authority to enter into this Agreement and to perform according to the terms, covenants and conditions contained in this Agreement.

The parties covenant and agree that the covenants in this Section 6.2 and the Seller's representations and warranties herein, shall survive the Closing and delivery of the Deed, for a period of twelve (12) months following the Closing relating to the Property.

## **ARTICLE VIII** **CONDITIONS TO CLOSING; CLOSING**

8.1 Conditions of Closing. The following shall constitute conditions to the parties obligation to close the transactions contemplated by this Agreement:

8.1.1 Entitlements. On or before March 1, 2016 (the "*Entitlements Date*"), Seller shall have received approval (the "*City Approval*") from the City for (i) an amendment to the master plan of the Project, consistent with the master plan exhibit attached hereto and incorporated herein as Exhibit C, allowing the Property to be used as a school; (ii) transfer of residential density currently allocated to the Property under the current master plan for the Project to other property within the Project located to the west of the Property, in a manner acceptable to Seller in its sole discretion; and (iii) approval of a subdivision plat relating to the Property, provided that Seller will not record the approved plat prior to Closing. In the event that one or more of the preceding conditions have not been satisfied on or before such Entitlements Date, either Seller or Buyer may terminate this Agreement, in which case the parties shall be released from their obligations and the Deposit shall be released to Buyer.

8.1.2 Closing Deliveries. Buyer shall have no obligation to purchase the Property at Closing unless and until the Seller timely delivers and provides each of the items specified in Section 8.3.1. The Seller's delivery of such items and performance of its obligations under this Agreement are conditions to Buyer's obligation to close, and the failure of which shall constitute a default by Seller.

8.1.3 Acquisition of Title. Seller shall have acquired title to the Property.

8.1.4 Representations, Warranties and Covenants. Neither Buyer nor Seller shall have any obligation to close if the other party's representations and warranties herein are not true and correct in all material respects on the Closing Date or if the other party has not performed any covenants it is required to perform either before or on the Closing Date.

8.1.5 Right to Waive Conditions Precedent. Notwithstanding anything which may be contained in this Agreement to the contrary, both Seller and Buyer may elect to waive any of the conditions precedent to the performance of its obligations hereunder contained in this Article VIII by written notice to the other party at any time on or before the Closing Date.

8.2 Date and Place of Closing. Closing shall take place on the Closing Date in the offices of Title Company, or such other location as Buyer and Seller shall agree.

8.3 Items to be Delivered at Closing.

8.3.1 Seller. On or before the Closing Date, Seller shall deliver to the Buyer each of the following items, together with, if applicable, instructions to deliver the same to Buyer at Closing:

8.3.1.1 The Deed;

8.3.1.2 Cause the Title Company to issue and advise Buyer that it has issued a standard coverage owner's fee policy of title insurance (the "*Title Policy*") in the amount of the Purchase Price for the Property, insuring fee simple, good and indefeasible title to the Property, free and clear of all Hens and encumbrances other than the Permitted Exceptions. Any additional premiums payable for an extended coverage owner's policy of title insurance or for additional endorsements shall be payable by Buyer;

8.3.1.3 Execute and deliver such other instruments and affidavits as the Title Company may reasonably require.

8.3.1.4 Execute and deliver to Buyer an agreement regarding cross access and utilities easements (relating to any necessary access and utility easements reasonably necessary for the full development of the Property and the Project, and regarding infrastructure cost sharing relating to infrastructure that will mutually benefit the Property and the Project (the "Easement and Cost Sharing Agreement"). The form of the Easement and Cost Sharing Agreement shall be drafted, negotiated and mutually approved by Seller and Buyer in good faith, prior to the expiration of the Buyer's Review Period. In the event that, despite their use of good faith efforts, Seller and Buyer are unable to agree upon the form of such Easement and Cost Sharing Agreement prior to the expiration of the Buyer's Review Period, then either Seller or Buyer may terminate this Agreement by providing written notice to the other party and the Earnest Money shall be returned to Buyer.

8.3.2 Buyer. On or before the Closing Date hereunder, Buyer shall deliver to Title Company each of the following items:

8.3.2.1 A Cashier's check or bank-to-bank wire transfer to Title Company, for delivery to Seller, of valid funds in the amount of the Purchase Price for the Property, plus Buyer's share of closing costs and prorations, as provided below, less all costs, expenses, and prorations to be paid by Seller. The Earnest Money Deposit shall be credited against the Purchase Price.

8.3.2.2 Execute and deliver such other instruments and affidavits as the Title Company may reasonably require.

8.3.2.3 Execute and deliver to Seller the Easement and Cost Sharing Agreement.

8.4 Closing Prorations. Current ad valorem taxes, special taxes and all assessments of whatever kind shall be prorated on the Property at Closing as of the date of Closing based on the latest information available to the Title Company without giving effect to any exemption. At Closing, if the Property is specially assessed or taxed due to its use or classification, Seller shall pay and be solely responsible for any deferred tax, special assessment and related charge, fine, penalty or other amount regardless of the period to which the same relates. Buyer, however, shall be responsible for any roll back tax assessed to the Property. Seller shall also be responsible for, and shall pay, any delinquent, supplemental and roll back taxes attributable to the Property purchased at Closing having been assessed at special use valuations or under any agricultural or open-space exemption, and shall pay all such delinquent, supplemental and roll back taxes, whether such taxes become due before or after the Closing. All prorations and/or adjustments called for in this Contract are to be made on the basis of a thirty (30) day month, unless otherwise specifically instructed in writing. If, after the Closing, either Party receives a bill for any such taxes or assessments, including any delinquent or supplemental taxes, any deferred tax, roll back tax, special assessment, related charge, fine, penalty or other amount (collectively, "*Other Taxes*"), the parties agree that the Party receiving the bill for the Other Taxes shall notify the party responsible for paying the Other Taxes in writing of the amount of such Other Taxes, and the party owing the Other Taxes shall promptly pay its prorated share of such Other Taxes within 30 days of demand therefor. The provisions of this Section will survive Closing.

8.5 Closing Costs. Seller shall pay the premium for the Title Policy at the Closing. Buyer and Seller shall each pay for the cost of their own legal counsel and other advisors in connection with this transaction and with the Closing. All other Closing costs and expenses shall be allocated to the parties according to the custom and practice in Utah as determined by the Title Company.

## ARTICLE IX DEFAULTS AND REMEDIES

9.1 Seller's Defaults; Buyer's Remedies.

9.1.1 Seller's Defaults. Seller shall be deemed to be in material default hereunder upon the occurrence of any one or more of the following events:

9.1.1.1 Any of Seller's warranties or representations set forth herein shall be or become untrue as of the Closing Date; or,

9.1.1.2 Seller shall fail to meet, comply with, or perform any covenant, agreement, warranty, or obligation on its part required within the time limits and in the manner required in this Agreement.

9.1.2 Buyer's Remedies. In the event Seller shall be deemed to be in default hereunder and so long as Buyer is not then in default hereunder, Buyer may exercise any one or more of the following remedies: (i) waive any such default by Seller by written notice to Buyer and Title Company and proceed to close the transaction contemplated by this Agreement in accordance with the provisions of this Agreement; (ii) terminate this Agreement by written notice to Seller and Title Company, in which event the entire Earnest Money Deposit (including any such portions thereof that have gone hard and would, but for Seller's default, be non-refundable) shall be returned to Buyer, and the parties shall be released of all duties, obligations, or liabilities to each other hereunder; or (iii) bring an action against Seller for specific performance of the terms and provisions of this Agreement.

9.2 Buyer's Default; Seller's Remedy. In the event any of Buyer's warranties or representations set forth herein shall be untrue as of the Closing Date, or Buyer shall fail to meet, comply with, or perform any covenant, agreement, warranty, or obligation on its part required within the time limits and in the manner required in this Agreement, then so long as Seller is not then in default hereunder, Seller, may, at Seller's sole option, exercise either one of the following remedies:

9.2.1 Waive any such default by Buyer by written notice to Buyer and Title Company and proceed to close the transaction contemplated by this Agreement in accordance with the provisions of this Agreement; or

9.2.2 Terminate this Agreement by written notice to Buyer and Title Company, in which event the Earnest Money Deposit shall be disbursed to Seller as Seller's liquidated damages and sole and exclusive remedy, and the parties shall have no further duties, liabilities, claims, or obligations to or against each other under this Agreement. The parties agree that the Earnest Money Deposit represents the reasonable estimate of the amount of damages that Seller would suffer by reason of Buyer's default and Seller hereby waives any other remedy it might otherwise have absent this Section 9.2.2.

## ARTICLE X BROKERAGE COMMISSION

10.1 Indemnity. If either Seller or Buyer has incurred or agreed to pay for any obligations, contingent or otherwise, for broker's or finder's fees with respect to matters provided for in this Agreement, the party incurring any such obligation shall be solely responsible therefor, and accordingly, such party shall and does hereby indemnify and agree to hold the other party harmless from any loss, liability, damage, cost, or expenses (including reasonable attorney's fees) related to anyone claiming a commission or fee by, through or under such party with respect to the sale of the Property. The provisions of this Section 10.1 shall survive the termination or cancellation of this Agreement and the Closing and delivery of the Deed and shall not be merged into the Deed.

## ARTICLE XI

## MISCELLANEOUS

11.1 Risk of Loss. Except as otherwise expressly provided in this Agreement, the risk of loss or damage to the Property until Closing shall be borne by Seller.

11.2 Condemnation. In the event of any condemnation (or sale in lieu thereof) of any portion of the Property, Seller shall promptly notify Buyer of the same in writing. Buyer shall have the right to cancel this Agreement (in which event all Earnest Money and extension fees, if any, shall be returned to Buyer, with interest) or proceed to close this transaction. If Buyer elects to proceed with the Closings, Buyer shall receive all awards or payments made by the condemning authority in relation to the condemnation.

11.3 Notices. All notices, demands, requests, and other communications required or permitted hereunder shall be in writing, and shall be given by personal service, certified mail, postage prepaid, or sent by overnight courier service and addressed as follows:

11.4 Governing Law. The laws of the State of Utah shall govern the validity, construction, enforcement, and interpretation of this Agreement.

11.5 Entirety and Amendments. This Agreement, including the exhibits hereto, which are hereby incorporated by reference and made a part hereof, embodies the entire agreement between the parties and supersedes any prior agreements and understandings, if any, relating to the Property. This Agreement may only be modified by an instrument in writing executed by both Seller and Buyer.

11.6 Multiple Counterparts. This Agreement may be executed in a number of identical counterparts. If so executed, each such counterpart shall be deemed an original for all purposes, and all such counterparts shall, collectively, constitute one agreement.

11.7 Parties Bound. This Agreement shall be binding upon and inure to the benefit of Seller and Buyer, and their respective heirs, successors and assigns.

11.8 Attorneys' Fees. If any party shall seek to enforce or protect its rights under this Agreement or under any document or instrument executed and delivered in connection herewith in any action, suit, arbitration case, or other proceeding, including all bankruptcy cases and proceedings, the

prevailing party shall be entitled to receive from the other party payment all of its costs and expenses, including reasonable attorneys' fees incurred (whether such costs or fees are incurred before or after the commencement of the proceeding), including any and all appeals or petitions therefrom.

11.9 Assignments. Seller and Buyer acknowledge and agree that Buyer shall not assign this Agreement to its assigns without the prior written consent by Seller, which consent shall not be unreasonably withheld, conditioned or delayed. In the event of any such assignment, all representations and warranties of Seller in this Agreement shall inure to the benefit of the assign(s). Notwithstanding the foregoing, Buyer shall have the right to assign this Agreement to its affiliated or related entities with the need to obtain the prior written consent of Seller.

11.10 Further Acts. In addition to the acts and deeds recited herein and contemplated to be performed, executed, and delivered by Seller and Buyer, Seller and Buyer agree to perform, execute, and deliver or cause to be performed, executed, and delivered at the Closing or after the Closing any and all such further acts, deeds, and assurances as may be necessary to consummate the transactions contemplated hereby.

## AGREEMENT TO SUBDIVIDE AND DONATE REAL ESTATE

This AGREEMENT TO SUBDIVIDE AND DONATE REAL ESTATE (this “**Agreement**”) is entered into as of the \_\_\_\_ day of November, 2015, by and between MICRON LEHI DEVELOPMENT, LLC, a Delaware limited liability company (“**Micron**”), and ALPINE SCHOOL DISTRICT, a local governmental entity created pursuant to Title 53A of the Utah Code (“**Alpine**”). Micron and Alpine are referred to herein individually as a “**Party**” and collectively as the “**Parties**.”

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by each Party hereto, Micron and Alpine agree as follows:

### 1. Agreement to Subdivide and Donate.

1.1 Subdivision. Alpine shall, at its sole cost and expense, promptly initiate and diligently pursue subdivision proceedings in accordance and compliance with all applicable legal requirements so as to cause the real estate located in Utah County, Utah as described on Exhibit A, attached hereto and incorporated herein (the “**Property**”) to constitute a separate legal parcel or parcels which may be conveyed by Micron to Alpine independent of Micron’s adjacent retained property. Micron shall, at Alpine’s sole cost and expense, cooperate with Alpine, as required and upon request, in connection with the subdivision proceedings. Alpine shall obtain Micron’s prior written approval of all documentation prepared and submitted in connection with the subdivision proceedings, which approval shall not be unreasonably delayed, withheld, or conditioned.

1.2 Donation. Micron hereby agrees to convey, donate and assign to Alpine, and Alpine agrees to accept from Micron, by delivery of a quitclaim deed in the form of Exhibit B, attached hereto and incorporated herein (the “**Deed**”), and under the terms and conditions set forth herein, the Property. The Property will be donated as a gift from Micron to Alpine.

1.3 Tax reporting. Micron will report this transfer to the Internal Revenue Service as a gift. Each Party acknowledges the other Party has not given it legal advice with respect to the tax consequences of this transaction and that each Party has obtained advice from a lawyer or tax professional with regard to this matter or has decided to proceed without such advice. Each Party releases the other Party and any of its agents, employees, consultants, advisors, accountants, and attorneys from any claim related to the tax treatment of this transaction and the obligation to furnish advice or to assure that taxing authorities, federal, state, or local, will allow any particular treatment for tax purposes for this transaction.

1.4 Receipt and Form 8283. Alpine will give a gift substitute document to meet the requirements of Internal Revenue Code § 170(f)(8) in connection with this transaction. Micron shall furnish an Internal Revenue Service Form 8283 (“**Form 8283**”) to support the gift supported by an appraisal establishing the fair market value of the Property signed by Micron’s appraiser. Alpine’s only obligation with regard to the Form 8283 is to sign the portion of the form acknowledging receipt of the Property, which Alpine will do prior to Closing (as defined in Section 3 below).

1.5 Resale in two years. In the event that Alpine sells the Property within two years of this transaction, Alpine shall file an Internal Revenue Service Form 8282 disclosing to the Internal Revenue Service the terms of the resale.

2. Due Diligence. Alpine acknowledges that prior to the date of this Agreement, Micron has assisted and cooperated with Alpine and Alpine's representatives in obtaining access to the Property from time to time for the purpose of making any and all studies and inspections of the Property, including without limitation an environmental assessment, as reasonably requested by Alpine. Alpine shall deliver to Micron a copy of all such studies and inspections prior to Closing.

3. Closing.

3.1 Closing. Delivery of the Deed by Micron to Alpine shall constitute the "**Closing**." The Closing shall occur on a mutually agreeable date (the "**Closing Date**") following the date the Property has been subdivided in accordance and compliance with all applicable legal requirements as required under Section 1.1 above, but in no event later than December 31, 2015.

3.2 Additional Items. Alpine and Micron shall deliver to each other such further documents and instruments as may be reasonably necessary or appropriate to consummate the transaction contemplated by this Agreement.

3.3 Prorations. Alpine and Micron shall prorate taxes as follows: Ad valorem and any other general or special taxes on or allocable to the Property that are due and payable in the calendar year in which the Closing Date falls shall be prorated as of the Closing Date (on the assumption that such taxes are allocable to such calendar year, notwithstanding that such taxes may be allocable to another period under the laws pursuant to which such taxes are imposed). Any general or special assessments that are a lien against or allocable to the Property shall be paid in full by Micron on or prior to the Closing Date. Alpine shall assume all obligations to pay at the Closing any "rollback tax" applicable to the Property under the Utah Farmland Assessment Act or any similar statute that may now be due if the transactions contemplated in this Agreement require such to be paid.

3.4 Reprorations. If taxes or any other items are prorated as of the Closing on any basis other than actual amounts charged for the current period, or if a reassessment of taxes occurs which relates to the calendar period in which the Closing Date occurs, such items shall be reprorated on receipt of such actual amounts or on such reassessment and the Party owing funds to the other shall promptly remit such funds to the other. If the Party owing such funds to the other fails to remit such funds within thirty (30) days after demand, such funds shall bear interest, commencing on the date such demand is made, at the rate of eighteen percent (18%) per annum. The foregoing provisions of this Section 3.4 shall survive the Closing.

3.5 Costs. Except as may otherwise be expressly set forth herein, each Party shall be responsible for their own attorney's fees in connection with preparation and review of this Agreement and conveyance of the Property. Notwithstanding the foregoing, Alpine shall be responsible for all recording costs and escrow fees, if any. Alpine may purchase an owners' title insurance policy at its own cost and expense in its sole discretion.

3.6 Possession; Risk of Loss. Possession of the Property shall be transferred on the Closing Date. Until the Closing is consummated, the risk of loss to the Property shall be borne solely by Micron.

4. Representations, Warranties, and Covenants of Micron. Micron hereby represents, warrants and covenants to Alpine that the following matters are true and correct as of the execution of this Agreement and also will be true and correct as of the Closing:

4.1 This Agreement and all the documents and items to be executed and delivered by Micron to Alpine pursuant to the terms of this Agreement, (i) have been or will be duly authorized, executed and delivered by Micron, (ii) are or will be legal, valid and binding obligations of Micron as of the date of their respective executions, (iii) are or will be enforceable in accordance with their respective terms (except to the extent that such enforcement may be limited by applicable bankruptcy, insolvency, moratorium and other principles relating to or limiting the rights of contracting parties generally), and (iv) do not, and will not at the Closing, violate any provisions of any agreement to which Micron is a party.

4.2 The representations and warranties of this Section 4 shall survive the Closing.

5. Representations, Warranties, and Covenants of Alpine. Alpine hereby represents, warrants and covenants to Micron that the following matters are true and correct as of the execution of this Agreement and also will be true and correct as of the Closing:

5.1 Alpine is a local governmental entity created pursuant to Title 53A of the Utah Code, validly existing and in good standing under the laws of the State of Utah.

5.2 This Agreement and all the documents to be executed and delivered by Alpine to Micron pursuant to the terms of this Agreement, (i) have been or will be duly authorized, executed and delivered by Alpine, (ii) are or will be legal, valid and binding obligations of Alpine as of the date of their respective executions, (iii) are or will be enforceable in accordance with their respective terms (except to the extent that such enforcement may be limited by applicable bankruptcy, insolvency, moratorium and other principles relating to or limiting the rights of contracting parties generally), and (iv) do not, and will not at the Closing, violate any provisions of any agreement to which Alpine is a party.

5.3 Alpine hereby agrees and acknowledges that (i) the Property is being conveyed on an "AS-IS" basis; (ii) it has made or will have made its own investigations and inspections of the Property, including, without limitation, the physical aspects of the Property and the Property's compliance with all laws applicable to the Property's current or intended use or development; (iii) in connection with its investigations and inspections of the Property it has contracted or had the opportunity to contract with certain advisors and consultants, including, but not limited to, environmental consultants, engineers and geologists, to conduct such environmental, hazardous material, geological, soils, hydrology, seismic, endangered species, archeological, physical, structural, mechanical and other inspections of the Property as Alpine deemed to be necessary; (iv) it has reviewed the reports of such advisors and consultants; (v) it is relying solely on such reports and its own investigations as to the Property, its condition and other characteristics and compliance with laws; and (vi) except for the representations and warranties set forth in this Agreement and

any documents that survive Closing, it is not accepting the donation of the Property in reliance upon any statements or representations, express or implied, made by Micron or its agents or brokers, as to the condition of or characteristics of the Property, its fitness for use for any particular purpose, or the Property's compliance with any subdivision laws, zoning, or other rules, regulations, laws or statutes applicable to the Property, or the uses permitted on or the development requirements for or any other matters relating to the Property. Except as set forth in this Agreement, Micron has no liability nor responsibility to Alpine in connection with the matters set forth in this Section 6.3, including, without limitation, any liability under any laws, rules, regulations or ordinances regulating the environment, hazardous materials, or human health and safety, or any latent or patent defects.

5.4 Effective on the Closing, and except as otherwise set forth in this Agreement, Alpine hereby releases Micron, and its parents, affiliates, subsidiaries, and their respective officers, agents, directors, and employees ("Micron Parties") from and waives all claims against the Micron Parties, at law or in equity, whether known or unknown, suspected or unsuspected which Alpine has or may have, arising out of or related to the physical condition of the Property, its compliance with applicable law, or its fitness for Alpine's intended purpose. In addition, except for matters expressly provided for or contemplated in this Agreement, Alpine waives any claim of liability against the Micron Parties based on any statement, representation, warranty, covenant, undertaking or agreement which may have been made by the Micron Parties or any person representing or purporting to represent the Micron Parties in connection with the Property or the transaction contemplated by this Agreement.

5.5 Alpine shall indemnify, protect, defend and hold the Micron Parties harmless from all claims, costs, liabilities, judgments, losses or expenses (including, without limitation, attorneys' fees and costs) arising out of, resulting from or connected with (i) Alpine's subdivision of, and obtaining entitlements for, the Property; (ii) Alpine's access to, and studies and inspections of, the Property prior to the Closing Date; and (iii) any occurrences on the Property from and after the Closing Date.

5.6 Alpine hereby agrees and acknowledges that the transaction contemplated by this Agreement may require compliance with, and approvals under, Utah Code Ann. § 10-9a-601 et seq. and other applicable subdivision and land use planning ordinances, rules, and regulations ("Land Use Regulations") and that Micron makes no representation or warranty regarding compliance with such Land Use Regulations. Alpine assumes any and all obligations under or associated with the Land Use Regulations arising from the transaction contemplated by this Agreement and indemnifies, releases and holds harmless Micron from and against all claims, resulting from either Alpine's or Micron's violation of, or failure to comply with, the Land Use Regulations.

5.7 The representations, warranties and indemnities of this Section 5 shall survive the Closing.

6. General Provisions.

6.1 Further Assurances. Following the Closing Date, each Party agrees to cooperate reasonably with the other to effect the purposes of this Agreement, including the execution of additional documents that may be required in connection with the donation. The provisions of this Section 6.1 shall survive the Closing.

6.2 Attorneys' Fees. If either Alpine or Micron brings suit to enforce or interpret this Agreement or any document, instrument or agreement delivered pursuant to this Agreement because of the breach of a representation, warranty or covenant contained in this Agreement or in any document, instrument or agreement delivered pursuant to this Agreement, or with respect to any other issue related to this Agreement or any document, instrument or agreement delivered pursuant to this Agreement, the prevailing Party shall be entitled to recover from the other Party the prevailing Party's reasonable attorneys' fees and costs, including expert witness fees, incurred in any such action or in any appeal from such action, in addition to any other relief to which the prevailing Party is entitled. As used in the preceding sentence, "prevailing Party" shall include, without limitation, a Party who retains legal counsel or brings an action against the other Party and subsequently obtains all or part of the relief sought, whether by compromise, settlement or judgment. The provisions of this Section 6.2 shall survive the Closing.

6.3 Notices. Any notice or demand to be given by Alpine or on Alpine's behalf, or by Micron or on Micron's behalf, to the other shall be in writing and deemed given upon delivery by personal service, telecopy (provided that a hard copy of any such notice has been dispatched by one of the other means for giving notice within twenty-four (24) hours after facsimile transmission), by express mail, FedEx, DHL or any other similar form of courier or delivery service, or mailing in the United States mail, postage prepaid, certified and return receipt requested, and addressed to such Party as follows:

6.4     Time of Essence. Time is of the essence with respect to each provision of this Agreement.

6.5     Modification. A modification of, or amendment to, any provision contained in this Agreement shall be effective only if the modification or amendment is in writing and signed by both Alpine and Micron. Except as otherwise provided in this Agreement, no remedy provided in this Agreement shall be exclusive of any other remedy at law or in equity (whether existing on or created after the date of this Agreement), and all remedies under this Agreement may be exercised concurrently, independently or successively from time to time.

6.9     Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. This Agreement shall become effective when each Party hereto shall have received a counterpart hereof signed by the other Party hereto.

6.10 Titles and Headings. Titles and headings of Sections of this Agreement are for convenience of reference only and shall not affect the construction of any provision of this Agreement.

6.11 Exhibits. Each exhibit referred to in, and attached to, this Agreement is an integral part of this Agreement and is incorporated in this Agreement by this reference.

6.12 Pronouns; Interpretation. All pronouns shall be deemed to refer to the masculine, feminine or neuter, singular or plural, as the identity of the person to whom reference is made may require. The terms "include," "includes" and "including" when used herein shall be deemed in each case to be followed by the words "without limitation."

6.13 Severability. If any provision herein shall be held invalid or unenforceable by any court of competent jurisdiction or as a result of future legislative action, and if the rights or obligations of any Party under this Agreement will not be materially and adversely affected thereby, (i) such holding or action shall be strictly construed; (ii) such provision shall be fully severable; (iii) this Agreement shall be construed and enforced as if such provision had never comprised a part hereof; (iv) the remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the invalid or unenforceable provision or by its severance from this Agreement; and (v) in lieu of such illegal, invalid or unenforceable provision, there shall be added automatically as a part of this Agreement a legal, valid and enforceable provision as similar in terms to such illegal, invalid and unenforceable provision as may be possible.

6.14 Assignment. Neither Party may assign this Agreement without the prior written consent of the non-assigning Party, which the non-assigning Party may withhold in its reasonable discretion.

6.15 Authorization. Each individual executing this Agreement represents and warrants that such individual has been duly authorized to execute and deliver this Agreement in the capacity and for the entity set forth where such individual signs.

6.16 Relationship Between Parties. Nothing in this Agreement shall be construed to create any partnership or joint venture relationship between the Parties.

6.17 No Third-Party Rights. The obligations of the Parties set forth in this Agreement shall not create any rights in or obligations to any persons or parties other than to Micron and Alpine and their respective permitted successors and assigns. This Agreement is not intended to nor shall it be construed to benefit any third party.

6.18 No Waiver. Any Party's failure to enforce any provision of this Agreement shall not constitute a waiver of the right to enforce such provision. The provisions of this Agreement may only be waived by a writing signed by the Party intended to be benefited by the provisions to be waived specifically acknowledging its intent to waive such provisions. A waiver by a Party of any breach hereunder by the other Party shall not be construed as a waiver of any succeeding breach of the same or other provisions.

6.19 Entire Agreement. This Agreement (including the exhibits attached hereto) and all documents contemporaneously executed in accordance herewith collectively constitute the entire

agreement of the Parties regarding the subject matter hereof and supersede any prior promises, representations, warranties, agreements or understandings between the Parties that are not set forth herein or therein.

**QUITCLAIM DEED**  
(Containing a Possibility of Reverter)

THIS QUITCLAIM DEED (Containing a Possibility of Reverter) ("Deed"), dated \_\_\_\_\_, 20\_\_\_\_ ("Effective Date"), is between Micron Lehi Development, LLC, a Delaware limited liability company ("Grantor"), and Alpine School District, a local governmental entity created pursuant to Title 53A of the Utah Code ("Grantee") (Grantor and Grantee are referred to individually as a "Party" and collectively as the "Parties"), with reference to the following:

A. Grantee and Grantor are parties to an Agreement to Subdivide and Donate Real Property ("Agreement"), dated \_\_\_\_\_, 2015, whereby Grantor has agreed to donate and gift to Grantee, and Grantee has agreed to accept from Grantor, a parcel of unimproved real property located in Utah County, Utah and more particularly described on Exhibit A ("Land").

B. Grantee intends to use the land solely for the development and operation of public schools.

C. Grantor and Grantee intend this Deed to create a fee simple determinable in Grantee, with Grantor retaining a possibility of reverter, so that fee simple title to the Land will be held and owned by Grantee, its successors and assigns, for so long as the Land is used solely for the Acceptable Purposes (defined below).

FOR GOOD AND VALUABLE CONSIDERATION, the Parties agree as follows:

1. **Quitclaim.** Grantor quitclaims to Grantee all of Grantor's right, title, and interest to the Land, subject to all reservations contained in this Deed, all building codes and other applicable laws, ordinances and governmental regulations affecting the Land, all encumbrances of record, including all easements, restrictions, rights-of-way, covenants or other property interests enforceable at law or in equity, shortages in area and all other matters that would be disclosed by an accurate survey or inspection of the Land, and all unpaid taxes and assessments for the year 20\_\_\_\_ and all subsequent years.

2. **Reservations.** Grantor retains and reserves all water, water rights, and water shares in any way connected or associated with, or appurtenant to, the Land.

3. **Condition of Land.** Grantee accepts the Land on an "AS IS," "WHERE IS," "WITH ALL FAULTS" basis, and without any warranties, representations, or guarantees, either express or implied, of any kind, nature, or type whatsoever, including, but not limited to, any warranty as to the fitness for a particular purpose or merchantability.

4. **Restrictions; Fee Simple Determinable; Acceptable Purposes.**

(a) Grantee covenants and agrees that the Land will only be used for the development and operation of public schools and related incidental purposes typically associated with the operation of public schools as of the Effective Date ("Acceptable Purposes"). Grantee further covenants and agrees that no portion of the Land will be used for residential, commercial, retail, industrial, or manufacturing purposes.

(b) In the event the Land, or any portion thereof, ever ceases to be used the Acceptable Purposes, fee title to the Land shall automatically revert to Grantor, free of all encumbrances placed on the Land by Grantee or during the period of Grantee's ownership, unless otherwise approved by Grantor in writing at the time of the reversion. Grantor and Grantee intend this Deed to create a fee simple determinable in Grantee, with Grantor retaining a possibility of reverter, so that fee simple title to the Land will be held and owned by Grantee, its successors and assigns, for so long as the Land is used for the Acceptable Purposes, but in the event any portion of the Land ceases being used for the Acceptable Purposes, it is intended that all right, title and interest of Grantee, its successors and assigns, be automatically forfeited and that the Land immediately revert to and vest in Grantor without any further action being required by Grantor, its successors and assigns. The foregoing possibility of reverter reflects the following facts: (i) Grantor transferring the Land to Grantee in order to provide the Land is used solely for the Acceptable Purposes; (ii) Grantor does not want the Land used for any other purpose; and (iii) the Land is being gifted by Grantor without payment by Grantee.

(c) Grantor and Grantor's agents may enter upon the Land at reasonable times in order to monitor and confirm Grantee's compliance with the covenants and restrictions in this Deed, provided that that entry does not unreasonably interfere with Grantee's use of the Land.

5. **Indemnification.** Grantee shall indemnify, protect, defend and hold Grantor harmless from all claims, costs, liabilities, judgments, losses or expenses (including, without limitation, attorneys' fees and costs) arising out of, resulting from or connected with the ownership,

use, development, construction, and/or maintenance, repair or replacement of the Land and/or any improvements thereon, from and after the date hereof.

**6. Binding Effect.** Each of the covenants, restrictions, and rights contained in this Deed (whether affirmative or negative in nature) (a) are perpetual and constitute covenants running with the land; (b) bind every person having a fee, leasehold or other interest in any portion of the Land at any time or from time to time; (c) inure to the benefit of and are binding upon the Parties and their respective successors and assigns; and (d) create an equitable servitude upon the Land in favor of Grantor and its successor and assigns.

**7. General Provisions.**

(a) Each Party will, whenever and as often as requested by the other Party, execute, acknowledge, and deliver, or cause to be executed, acknowledged, and delivered, such further instruments and documents as may be necessary in order to complete and evidence the assignment, conveyance and transfer herein provided and to do all things as may be reasonably requested in order to carry out the intent and purpose of this Deed.

(b) A modification of, or amendment to, any provision contained in this Deed shall be effective only if the modification or amendment is in writing and signed by both Grantor and Grantee. Any oral representation or modification concerning this Deed shall be of no force or effect. This Deed shall not be supplemented or modified by any course of dealing.

(c) This Deed shall be governed by, and construed and interpreted in accordance with, the laws (excluding the choice of laws rules) of the State of Utah. Grantor and Grantee subject themselves to the exclusive jurisdiction of the state and federal courts of the State of Utah and agree to commence and maintain any lawsuit related to this Deed in such courts. Grantor and Grantee further agree that such courts are a convenient forum.

(d) Unless otherwise provided, references in this Deed to Sections are to Sections in this Deed. This Deed shall be construed according to its fair meaning and not strictly for or against Grantor and Grantee, as if both Grantor and Grantee had prepared it. Except as otherwise provided in this Deed, no remedy provided in this Deed shall be exclusive of any other remedy at law or in equity (whether existing on or created after the Effective Date), and all remedies under this Deed may be exercised concurrently, independently or successively from time to time.

(e) This Deed may be executed in one or more counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. This Deed shall become effective when each Party hereto shall have received a counterpart hereof signed by the other Party hereto.

(f) Titles and headings of Sections of this Deed are for convenience of reference only and shall not affect the construction of any provision of this Deed.

(g) Each exhibit referred to in, and attached to, this Deed is an integral part of this Deed and is incorporated in this Deed by this reference.

(h) If any provision herein shall be held illegal, invalid or unenforceable by any court of competent jurisdiction or as a result of future legislative action, and if the rights or obligations of any Party under this Deed will not be materially and adversely affected thereby, (i) such holding or action shall be strictly construed; (ii) such provision shall be fully severable; (iii) this Deed shall be construed and enforced as if such provision had never comprised a part hereof; (iv) the remaining provisions of this Deed shall remain in full force and effect and shall not be affected by the invalid or unenforceable provision or by its severance from this Deed; and (v) in lieu of such illegal, invalid or unenforceable provision, there shall be added automatically as a part of this Deed a legal, valid and enforceable provision as similar in terms to such illegal, invalid, and unenforceable provision as may be possible.

(i) Each individual executing this Deed represents and warrants that such individual has been duly authorized to execute and deliver this Deed in the capacity and for the entity set forth where such individual signs.

(j) Nothing in this Deed shall be construed to create any partnership or joint venture relationship between the Parties.

(k) Any Party's failure to enforce any provision of this Deed shall not constitute a waiver of the right to enforce such provision. The provisions of this Deed may only be waived by a writing signed by the Party intended to be benefited by the provisions to be waived specifically acknowledging its intent to waive such provisions. A waiver by a Party of any breach hereunder by the other Party shall not be construed as a waiver of any succeeding breach of the same or other provisions.

THIS QUITCLAIM DEED is executed and delivered to be effective on the Effective Date.
